

American Flag Bearer Tribute

Let everyone salute our flag and say a prayer today
That God will always help us keep our Democratic way
Let us give gratitude to Him for our United States,
With justice and equality and freedom from all hates.
With liberty to live our lives in peace and unity,
And to protect our human rights and worldly property.
Let us salute the Stars and Stripes...our red, white, and blue,
And give again our solemn pledge to be forever true.
And let us pray to God today that we shall never lag
In cherishing and fighting for our own beloved flag.
