

The Flower of Girlhood

LOVE: I love you, Not for what you are,
But for what I am when I am with you

RELIGION: The Lord is my Shepherd, I shall not want.
He maketh me to lie down in green pastures.
He leadeth me beside the still waters.
He restoreth my soul.

NATURE: It seems to me I'd like to go where there's stillness all around.
Just the trees, low whispering bees,
the drowsy rill, or the song of the Whippoorwill.
The dappled fields of green and gold or in the cool sweet clover lie
and watch the clouds drift by t'would be a joy to behold.

IMMORTALITY: Down the stream of life together
We are sailing side by side.
Hoping some bright day to anchor
Safe beyond the surging tide.

FIDELITY: Think truly, and thy thoughts, shall the world's famine feed.
Speak truly, and each word of thine shall be a fruitful seed.
Live truly, and thy life shall be a great and noble creed.

PATRIOTISM: Firm, united, let us be, rallying round our liberty.
As a band of sisters joined, peace and safety we shall find.
Immortal patriots, rise once more.
Defend your rights. Defend your shore.

SERVICE: The sweetest lives are those to duty wed, with deeds great and small.
A poor man served by thee shall make thee rich.
A sick man helped by thee shall make thee strong.
Thou shalt serve thyself by every sense of service which thou renderest.
