

## **Installation of Courtesy Officers**

**W.A.:** Sister Marshall, you will present the Courtesy Officers behind the bow for installation.

**Marshall:** Worthy Advisor, I present these members who have been appointed Courtesy Officers for the ensuing term.

**W.A.:** My sisters, you have been selected as Courtesy Officers for this term either for your ability or to prepare you for future offices. Each of your offices is very important and necessary if the assembly is to function properly. Remember, that you are governed by the same rules as the jeweled officers.

**SISTER BIBLE BEARER** - My sister, our Bible is the foundation of our Rainbow teachings and sacred book of our faith. It is your duty to carry it to the Altar at the opening of each meeting and to guard it from abuse; seeing that at all times it is treated with respect.

**SISTER ORATOR** - My Sister, after a new sister has been initiated, they need certain information regarding our customs and conduct. It is your responsibility to assure that they receive this information. Your performance of this duty will greatly aid our new sisters.

**SISTER EAST PAGE AND WEST PAGE** - My sisters, your responsibilities are important to the Assembly. Whenever it becomes necessary for an officer to send a message or to have an errand done during an assembly meeting, she will turn to you, feeling confident that you will carry out her wishes quickly and quietly. Your job is of great importance and the assembly cannot function properly in your absence.

**SISTER HISTORIAN** - My sister, after our new sisters have been initiated it will be your responsibility to tell them about the history of our beautiful order. To tell them about our founder Reverend W. Mark Sexson, when our assembly was instituted and how we celebrate Rainbow's birthday each year. You are also required to keep an accurate account of all activities and functions carried on during the term.

**SISTER LECTURER** - My sister, it is your duty to present the Rose Lecture to our new sisters at each initiation. Your exemplification of this lecture will impress upon our new sister the importance of the love we hold for our Mothers.

**If installing courtesy officers, do so before the Flag Tribute, so they are installed with the other officers and are not left waiting sitting out in the middle of the room. If the girls being installed as courtesy officers are new Rainbow members have the Marshal seat them next to an older member.**
